

# Liquidfloors – Liquid Partner - Independent Subcontractor

## A unique opportunity for self-employed professionals!

### Welcome to the World of Liquidfloors

Are you self-employed and looking for opportunities to further fill up your schedule without administrative worries? Then we have an interesting opportunity for you!

- You have a positive and flexible attitude.
- You are looking for stability and are willing to make a long-term commitment as a partner.
- You have experience in painting, plastering, parquet installation or other relevant interior finishing.
- Perfection and attention to detail are your core values when delivering each project.
- You are in possession of a driving licence B.

At Liquidfloors, we guarantee quality. After an extensive training that gives you and our customers confidence in our products, we offer you challenging projects that suit your pace. You will receive customised support during the project and can consistently count on smooth and correct payment.
